BLUE OWL

ABOUT US

At Blue Owl, we are doing more than just investing in private markets—we are redefining alternatives. We serve our investors by being a partner of choice for businesses seeking private capital solutions.

Through our industry-leading direct lending business and complementary strategies, we work closely with a broad range of private equity-backed and non-sponsored companies to originate, execute, and manage investments across various loan and equity-related instruments.

WHAT WE DO

Powering exceptional financing solutions
We specialize in direct lending, providing a range of customized financing solutions to both private equity-sponsored and non-sponsored companies across debt and equity-related instruments. Alongside our direct lending capabilities, we employ complementary strategies through our Liquid Credit, Healthcare Opportunities, and Strategic Equity verticals.

OUR APPROACH

We are investors for the long term. Our relationship-oriented approach to investing can provide borrowers with sizable commitments to facilitate transactions and support their growth needs with certainty, speed, and transparency throughout the entire investment process.

Through our extensive senior-level relationships with sponsors, we can create sourcing across multiple touchpoints.

BLUE OWL

REAL ESTATE

We specialize in structured sale-leaseback transactions with investment grade and creditworthy tenants. With expertise in both direct and indirect real estate investing, a proprietary origination platform, and enhanced lease structures, we provide flexible real estate solutions to a range of organizations across asset classes and geographies.
